

MAN TGA & TGX "Reliability and Innovation"

**"The new
benchmark for
long-distance
transport"**

...and you can take delivery of yours from March...

At Gulliver's we are constantly renewing our fleet of vehicles so that you can be sure that you are operating the latest that the transport industry has to offer. The MAN TG Series has been voted International Truck of the Year 2008 (IToY) at The European Road Transport Show in Amsterdam* which is why we invested in it and why we wanted to give you the opportunity to operate it.

- **'XXL' International long-haul sleeper cab**
- **Double bunk**
- **440 BHP EGR engine (No 'add blue')**
- **Excellent Fuel economy**
- **12 Speed 'Tipmatic' automatic gearbox**
- **Cruise Control**
- **Air suspended, heated seats**
