

SAFETY, HEALTH, ENVIRONMENT & QUALITY POLICY STATEMENT

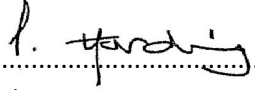

Gulliver's Truck Hire is a Vehicle Contract Hire, vehicle maintenance to heavy goods vehicles along with fleet management.

The Company is committed to the prevention of injury and ill health and intends to provide, maintain and seek to continually improve safe and healthy working conditions, equipment and systems of work for all employees. We also accept our responsibility for the health and safety of our clients, contractors and others who may be affected by our activities.

The Company is committed to the prevention of pollution and has reviewed all services provided and deem our impact on the environment as low. The Company is committed to the protection and enhancement of local and global environments and ensuring that all activities are carried out in a sustainable way.

As Managing Director of Gulliver's truck Hire, we will ensure the establishment of a Safety, Health, and Environmental & Quality Policy, set by the Board. Gulliver's Truck Hire Ltd is fully committed to:-

- providing suitable and effective safety, health, environmental and quality training for all staff in order to assist employees to perform their work safely and efficiently
- make available such safety devices and protective equipment as may be appropriate and ensure that such equipment is utilised when needed
- maintain a continuing interest in safety, health, environmental and quality matters applicable to the activities in which we are involved
- management setting an example in all safety, health, environmental and quality matters
- actively carry out risk assessments for all aspects of the business and regularly audit these in order to demonstrate efficiency and effectiveness to ensure all risks are of an acceptable level
- ensuring that our customers receive the best service practically possible to meet their requirements
- being aware of and complying with all legislation and regulations
- assessing the safety, health, environmental and quality impacts of all working practices, including the performance of all suppliers
- maximising the use of local products and local workforce wherever possible
- ensuring the potential consequences, both legal and customer focused, of any departure from the requirements of this policy are understood
- developing a set of safety, health, environmental and quality objectives, targets and action plans
- reviewing this policy and its action plans annually (as a minimum) with a view to ensuring continuous improvement is being achieved

Signed.....
Philippe Harding - Managing Director
